

Create a path that's all your own.

Jump-start your future with real insights and honest answers to all of your questions. Empower is Grant Thornton LLP's virtual student growth program where you can find the personalized advice and one-on-one support you need to find the right career path.

During our May program, you'll sharpen skills in professional development and leadership, participate in mentorship sessions, connect with peers nationwide and more. You'll have the chance to get to know our people and what it's really like to work in our industry — meeting and learning from business leaders, senior executives, associates and professionals from across our firm.
